Description

The most luxurious property within Esporles may not be easily defined, however this property here could easily be THE one. 880.000 m2 mountain/land lake is sufficient space to feel totally free and private. Owning its own lake and mountain could be a real dream come true whilst the entire surrounding invites to relax, enjoy the tranquility and the fabulous countryside! Esporles is located just 15 min from Palma in the Sierra de Tramuntana, with great historic charm, a weekly market and close to Banyalbufar, the mountain village with some of the most amazing sea views.

This highly unique property is called La Granja d'Adalt which basically means farm high above. In total there are 3 different buildings with beautiful panoramic views across the valley of Esporles. The main building is located at the border of a picturesque lake and offers 5 bedrooms, 2 living rooms, 2 fully equipped kitchen with dining area, an independent dining room, gym, indoor pool, covered Spa, music recording studio, game room, various covered and open terraces, huge outdoor pool, heated jacuzzi and sun lounge area. The guest house is a few minutes walking distance from the main house and has 3 bedrooms, 2 bathrooms (1 en suite), living rooms and fully equipped kitchen. The third house consists of 2 bedrooms for staff, an office, a living room and kitchen and a bathroom.

All buildings are equipped with the latest technology including ADSL, Canal +, air conditioning h/c, central heating and automatic irrigation system.
