Price

890.000 €

Location

Centro-Casco Antiguo / Palma City /

Description

This splendid apartment, completely renovated to the highest standard, is located in one of the main arteries of Palma: The Paseo Mallorca. It offers magnificent unobstructed views of this beautiful part of the city stretching out to the marina and beyond to the Bay of Palma.

The generous 128m2 open plan home has been designed to allow the maximum flow of natural light. The light tones used in the decoration of the walls and floors enhance the space and make for bright and comfortable living areas.

The open plan brings together a large living room with dining area with ceiling to floor glass doors that open out onto the terrace from where you can see the sea.

The modern kitchen is fully equipped. The ample storage and clean lines give a tidy workspace. Whilst it is accessible from the main living area it is also offers some separation and has a large central working island.

There are three large bedrooms of which one of them is ensuite. There is another a guest toilet.

This apartment offers an excellent city location, central to all amenities with a calm and comfortable interior where you can relax and enjoy the stunning views.
