Santa Ponsa-Port Adriano / Mallorca Southwest /
Santa Ponsa

Description

This fabulous new build residential project, located in Santa Ponsa, on the southwest coast of Mallorca, is an exclusive and desirable place to call home. The area of Santa Ponsa enjoys a year-round warm climate and is located in a natural bay with one of the most authentic and beautiful ports in Mallorca. The white sand beaches are dotted with pine trees offering natural shade. There are plenty of seafront bars and restaurants offering delicious local and international cuisine and from where you can enjoy the famous sunsets. There are also 3 prestigious golf courses with clubhouse and beautiful views of the Puig de Galatzó.

This exclusive project, with beautifully landscaped gardens, offers ground floors with a private garden, apartments with terraces, and penthouses with rooftop terraces and a private pool. The design is both contemporary and Mediterranean and the result is stylish and elegant living spaces that offer the very best quality and comfort.

The homes all offer abundant natural light and range from 88m² to 146 m². The terraces, private outdoor garden spaces, and rooftop terraces range from 18m² to 172 m². The houses have 2 to 4 bedrooms and 2 bathrooms. The very best materials have been used throughout and this can be seen in the fixtures and finishes of every property. Certain elements can be customized making your home a unique place. The open plan living space comprising of lounge, dining area, and kitchen come fully equipped and furnished and open out to the outdoor living spaces.

The communal areas in this beautiful residential complex include a magnificent swimming pool, fitness room, children's areas, rooftop spaces, and extensive gardens all in perfect union with the Mediterranean nature and the enviable climate that comes with living in Mallorca.

Each property comes with a parking space.
