Description

The paradisiacal area of Son Serra de Marina in the northeast of Mallorca is one of the most authentic and attractive places on the island. It is one of those corners of the island that remains untouched, surrounded by an extensive stretch of unspoilt sandy beach that is surprisingly rich in nature, with transparent waters dotted with shells and posidonia flowers that inhabit the seabed. It is also an ideal place for water sports and has great hiking trails and horseback riding.

This excellent duplex penthouse is located on the very first line of the beach in this amazing setting, with spectacular views of the sea, the mountains and the cliffs that surround this unique landscape.

It has 108 m2 totally refurbished and furnished, with interiors that spread placidity and exude Mediterranean essence, luminous and open to the sea and the breeze. It has been developed on 2 floors with 3 bedrooms and 3 bathrooms, one of them en suite. On the entrance level there are two of the bedrooms with fitted wardrobes and a complete bathroom. On the upper floor is the master bedroom with en-suite bathroom and the large living-dining room with fireplace and integrated kitchen with access to the large 25 m2 terrace-solarium, a sunny outdoor space with stunning views, relaxed and cheerful, to share with family and friends.

An amazing place that preserves all its unspoilt nature, where to live a quiet and relaxed lifestyle under the sun.
