Description

This excellent duplex penthouse is located on the very first line of the beach in a surprising setting, with spectacular views of the sea, the mountains and the cliffs that surround this unique landscape, the paradisiacal area located in the northeast of Mallorca of Son Serra de Marina, one of the most authentic and attractive places on the island. It is one of those corners that remain untouched, surrounded by an extensive stretch of unspoilt sandy beach that is surprisingly rich in nature, with transparent waters dotted with shells and posidonia flowers that inhabit the seabed. It is also an ideal place for water sports and has great hiking trails and horseback riding.

It has 95 m2 totally refurbished and furnished, with interiors that spread placidity and exude Mediterranean essence, luminous and open to the sea and the breeze. It has been developed on 2 floors with 2 bedrooms and 2 bathrooms, one of them en suite. On the entrance level there are two bedrooms with fitted wardrobes and a complete bathroom. On the upper floor there is a large living-dining room with fireplace and integrated kitchen with access to the large terrace-solarium of 20 m2, a sunny outdoor space with stunning views, relaxed and cheerful, to share with family and friends.

An amazing place that preserves all its unspoilt nature, where to live a quiet and relaxed lifestyle under the sun.
