

## Excellent plot of land in Son Vida with unique views of the sea and Palma

### Price

4.150.000 €

### Location

Son Vida / Palma Area /

### Description

Taking full advantage of the privileged views of the sea, the green hills and the city of Palma, this unique plot is located in the prestigious residential area of Son Vida, situated on the outskirts of the city, with excellent golf courses and the most exclusive, private and demanding homes on the island.

The plot has 2.214 magnificent m2 where the construction of a detached villa has been planned with a cosy contemporary design that does not renounce to the Mediterranean elements and where the eye will be able to enjoy amazing views. The property will have 5 bedrooms, 6 bathrooms and a guest toilet, a large living-dining room with kitchen and outdoor terraces with swimming pool and garden where you can relax in the sunshine. In addition, it will be provided with all kinds of extras such as lift, fireplace, gym, sauna, office and lounge room.

The licence to carry out this exceptional project has already been presented.  
The marked price corresponds only to the plot.
