

Historic finca to renovate near the centre of Andratx

Price

1.100.000 €

Location

Andratx / Mallorca Suroeste / Andratx

Description

This beautiful historic finca is situated in a privileged location in the village of Andratx, only a few steps away from the centre with all the services, restaurants and shops that this wonderful village has to offer. Both the sea and the harbour, the mountains of the Sierra de Tramuntana and the city of Palma are only a few minutes away by car.

The finca, built in 1900, consists of a main house on two levels plus a guest or service house. The plot is flat and has many possibilities.

Historical details of great value and a large flat plot very close to the centre of the village give this finca many possibilities for reformation with a lot of potential.

FEATURES:

- high historical value with elements
- several terraces and large flat garden
- great potential for reformation

LOCATION:

- Centre of the village
- Views to the village and mountains
- Close to restaurants, close to cafes, close to shops, close to harbour.
