Location

Sant Llorenç des Cardassar / Mallorca Northeast / Sant llorenç des cardassar

Description

A unique place where you can live Mallorca in essence, relax, enjoy the sun and disconnect, very close to the east coast of the island where you can find paradisiacal beaches such as Son Servera, Porto Cristo, Cala Millor or the beach of Port Vell. It is also an ideal place for cycling and hiking enthusiasts as there are many routes nearby.

This is the place where this extraordinary finca is located, which has 900.000 m2 of land with extensive outdoor spaces that guarantee total privacy within an impressive peaceful natural environment and the possibility of enjoying panoramic views of the countryside that are hard to find anywhere else.

Large outdoor spaces with terraces, porches, a large outdoor swimming pool, an excellent tennis court, beautiful gardens with ponds, abundant vegetation, flowers and fruit trees; a true Mediterranean paradise.

The main house and several buildings with 1.223 m2 of surface area make up this magnificent property that will become the ideal place for the whole family to live next to nature at any time of the year.
