Description

Within a purely Mediterranean setting but within the city, where you can live next to three of the most prestigious golf courses on the island surrounded by nature and privacy just 5 minutes from the centre of Palma, this exceptional newly built penthouse with an unbeatable south orientation is located within a very well-kept residential complex that offers extensive garden areas, two fantastic swimming pools and spacious wellness rooms where you can relax and have time for yourself.

The property, located on the top floor of one of the buildings, has been designed to make the most of the light of the beautiful surrounding environment and is marked by an impeccable modern design combined with maximum comfort, with noble natural materials that, in keeping with the entire project as a whole, are at the forefront of quality. Achieving maximum energy efficiency has also been another of the key points in the construction of this home.

The excellent penthouse has a surface area of 265 magical square metres with a dazzling 258 m² private rooftop solarium area that offers different outdoor ambiances, with living rooms, swimming pool and dining room with barbecue area; the great jewel of this home with views of the green surroundings that will give life to relaxed moments and long after-dinner meals in the best company. The interiors, developed on one floor, are made up of 4 large bedrooms with built-in wardrobes and 3 bathrooms, two of them en-suite, as well as a guest toilet. A large living room with fireplace and dining area opens onto a lovely 24 m² covered terrace where you can have lunch or dinner in the shade. The modern kitchen is independent, white and luminous and comes fully equipped and is also connected to the terrace.

It is worth mentioning that the property also offers two convenient parking spaces, one of them double, and a large storeroom.

Style and well-being in large spaces both indoors and outdoors without leaving the house.
