Description

This beautiful rustic finca completely renovated with a traditional, respectful and modern design in equal parts is located within a large plot of 32,500 m2 surrounded by fields with more than 200 olive trees with own production of organic oil, lush fruit trees and unique panoramic views of a dreamy mountainous panorama thanks to its quiet location in the middle of the Mediterranean natural landscape of Binissalem, a beautiful village in the center of the island between extensive vineyards and windmills. Moderna

The Moderna finca has 380 m2 of surface completely renovated with a simple traditional architecture with natural materials such as stone walls and wood in union with the most modern design touches and all the modern-day comforts. It has beautiful gardens, orchard and large rose garden that create an atmosphere of calm and well-being to which outdoor indoor spaces have been added where you can relax, eat and enjoy long tables outdoors as well as others in the sun with a swimming pool provided with outdoor shower, hammock area and sauna, all in this impressive rural setting where you can savor the pleasure of living among nature.

The house is developed on two levels and has four bedrooms and three bathrooms, two of them en suite. A fabulous entrance to the property surrounded by palm trees welcomes us to renovated interiors full of light and from where we can also breathe fresh air while contemplating the green of the countryside. On the main level under high ceilings embellished with exposed wooden beams is located the spacious livingroom with fireplace, the dining area, Moderna equipped kitchen and three of the bedrooms plus two bathrooms, all open to the magnificent outdoors with beautiful views towards the countryside and the mountains. On the upper level we find the generous master bedroom equipped with radiant heating forming a contemporary space of room, bathroom and private terrace with the fabulous views as protagonists.

The property has a large garage and parking.
