Description

This excellent completely renovated house captivates by unique details inspired by the traditional architecture of the island with thick stone walls and exteriors where you can breathe tranquility formed by 98 m2 of terraces and well-kept garden with fruit trees and typical Mediterranean plants next to a large swimming pool surrounded by a hammock area.

Located in the coastal area of Palmanova, a short walking distance from its beautiful and extensive fine sandy beach next to the pleasant promenade that accompanies it, the villa occupies an area of 337 m2 within a plot of 955 m2. It has been developed on two levels with a simple Moderna Mediterranean style where high quality, natural light and cozy decoration are the main protagonists.

It has 4 large bedrooms with fitted wardrobes and an en suite bathroom that are serene and natural spaces that invite to calm. The living room with fireplace, dining room and kitchen located on the upper level is a splendid continuous room that allows unobstructed views letting in natural light to create a warm and cozy atmosphere. The Moderna designer kitchen Birgit Müller makes cooking even more enjoyable, with more efficient and elegant appliances.

The house has a comfortable closed garage
