Description

Living in a privileged area with magnificent sea views is possible from this fantastic villa of elegant contemporary architecture with noble and traditional materials in spaces full of natural light.

It is located in the exclusive residential area of Cas Catalá, only 5 min. from the centre of Palma as well as from the prestigious marina of Puerto Portals, a quiet place in front of the sea with beautiful beaches together with others as well known as the beach of Illetes. Close by we also find the beautiful marina of Cala Nova, international schools, supermarkets, gyms and all services.

The splendid villa will be finished by spring 2027 and will have 537 m2 of living space on two levels plus basement. The magnificent outdoor spaces of terraces, garden and swimming pool invite us to enjoy the sun and the privileged climate of the island. The choice of materials and finishes have been made according to the highest quality standards, with stone and wood as protagonists in a modern design with all the comfort.

The ground floor is occupied by the large living room with fireplace, dining room and fully equipped Gaggenau kitchen, all open to the outside porches and terraces from which to access the pool area. The villa has four bedrooms, all with en-suite bathrooms and a guest toilet. The basement floor is occupied by a gym area, spa and room for a wine cellar or office and has a garage with capacity for several cars.

The villa is crowned by a spectacular solarium with summer kitchen and dazzling sea views.
