

Avant-garde villa with dazzling sea views located at the top of Portals

Image not found or type unknown

Price

7.495.000 €

Location

Calvià / Mallorca Southwest / Costa den Blanes

Description

In the exclusive residential area of Costa d'en Blanes, situated in the highest part of Portals with unobstructed views of the marina of Puerto Portals, is this spectacular designer villa with breathtaking views of the sea and all the surrounding green hills.

The plot of land it occupies within this privileged environment is 1.374 m² and the house has a surface area of 517 m² with five double bedrooms and four bathrooms. Its design has sought to maintain the essence of the surroundings with the use of contemporary elements of the highest quality, making it a super comfortable house where you can enjoy a high level of wellbeing. Every single detail has been taken care of in its construction and the connection with the sea and the landscape is present in all its rooms.

The house has two levels where the light flows generously thanks to its design that allows the interior to merge with the exterior and the views as the Mediterranean lifestyle dictates. On the ground floor there are three spacious bedrooms, two with en-suite bathrooms and a guest toilet. From here there is direct access to the various terraces, the large swimming pool with sunbathing area and the spectacular garden. The upper level is occupied by the large living room with dining area and modern Gaggenau kitchen with central island. On this level is also the spacious master bedroom with en suite bathroom and breathtaking views of the Mediterranean. A further bedroom completes this level.

A separate open-plan building next to the swimming pool is the ideal place to enjoy the outdoors to the full, with a large kitchen, a bathroom and a terrace with dining area designed for relaxing breakfasts or meals in the best company. From here, a lift takes you to the spacious garage for the convenience of the residents.

The villa has all the technology to make life easier for its residents.

FEATURES:
