Description

This excellent villa is privilegedly located on the seafront in the quiet area of Palma's Ciudad Jardín, popular for its magnificent beach with clean waters, all amenities and services within easy reach and a lovely pedestrian promenade with cycle lane. From here you can enjoy magnificent sea views and practically direct access to the beach.

The charming villa occupies 348 m2 within a plot of 442 m2 with south orientation, spacious terraces and garden area with Mediterranean plants giving the green touch to this sea environment.

The house has been developed on three levels plus a large basement floor that houses the garage with capacity for four cars, a generous room with pantry and fitted wardrobes to give it the desired use and a cistern with 12,000 m3 to supply water to the entire house. The ground floor is home to a bright, continuous dining room and living room with a fireplace and high ceilings with exposed beams that provide greater spaciousness and warmth to this room. From here there is access to a sunny terrace and first class sea views. The kitchen is independently arranged, fully equipped and with space for a daily dining area. It is accompanied by a large laundry room and the exit to a porch where the barbecue area is located. A double bedroom and a bathroom complete this level.

The first floor is occupied by the remaining four bedrooms, two of them with access to a terrace and the master bedroom with a large dressing area. The property is crowned by a tower of 16 m2 with access to a terrace of 10 m2 from where the sea views are even more impressive.
