Beachfront apartment on Portals beach with incredible sea views

Price

0 €

Location

Costa den Blanes-Portals Nous / Mallorca Southwest / Portals Nous - Bendinat

Description

This apartment sits in the very first line of Portals beach, practically on the sand, with unique views over the bay and the sea. An exceptional location in the heart of Puerto Portals.

Portals Nous is one of the most coveted areas on Mallorca's southwest coast, with Palma barely 10 kilometres away. Alongside the Mediterranean, Puerto Portals is one of the most renowned marinas in the Mediterranean, with first-class restaurants, boutiques, fashion venues and some of the island's liveliest beach clubs. A few minutes away are the Real Golf de Bendinat and the coves of Bendinat and Illetas, completing one of the most attractive areas on the island for living by the sea.

The apartment measures 58 m² and feels like a balcony over the Mediterranean. It comprises a living-dining room with open kitchen, one bedroom and one bathroom, in a simple, light-filled layout. The 10 m² terrace extends from both the living room and the bedroom, so the sea accompanies both the day and the moment of waking. An ideal spot for breakfast overlooking the bay, or for watching the light change over the water as evening falls.

A home with a location that is hard to match, and an excellent foundation for shaping a bespoke retreat, with the aesthetic and details each owner imagines. An apartment steps from the beach and from the life of Puerto Portals, rarely found with views like these.
